Of course the advantages to get can connect that you're reading. And today, we'll trouble you to use analyzing **Process on Website My Special Friend DJVU** as among the stuff to accomplish fast. El Abbas looked at them and saw the ensigns displayed and the standards loosed and heard the drums beating; so he bade his servant saddle him a charger and look to the girths and bring him his harness of war. Quoth Aamir, "And indeed I saw El Abbas his eyes flash and the hair of his hands stood on end, for that indeed horsemanship (69) abode [rooted in his heart]." So he mounted his charger, whilst Aamir also bestrode a war-horse, and they went forth with the troops and fared on two days. On the third day, after the hour of the mid-afternoon prayer, they came in sight of the enemy and the two armies met and the ranks joined battle. The strife raged amain and sore was the smiting, whilst the dust rose in clouds and hung vaulted [over them], so that all eyes were blinded; and they ceased not from the battle till the night overtook them, when the two hosts drew off from the mellay and passed the night, perplexed concerning themselves [and the issue of their affair]. When the merchants saw him, they accosted him and said, "O youth, wilt thou not open thy shop?" As they were bespeaking him, up came a woman, having with her a boy, bareheaded, and [stood] looking at El Abbas, till he turned to her, when she said to him, "O youth, I conjure thee by Allah, look at this boy and have pity on him, for that his father hath forgotten his cap in the shop [he lost to thee]; so if thou wilt well to give it to him, thy reward be with God! For indeed the child maketh our hearts ache with his much weeping, and God be witness for us that, were there left us aught wherewithal to buy him a cap in its stead, we had not sought it of thee." "O adornment of womankind," replied El Abbas, "indeed, thou bespeakest me with thy fair speech and supplicatest me with thy goodly words ...But bring me thy husband." So she went and fetched the merchant, whilst the

and of what kind shall it be of the kinds?" Quoth he, "It matters little what it is, so it be a goodly story, whether it befell of old days or in these times." "O my lord," said I, "I know many stories of various kinds; so whether of the kinds preferrest thou, and wilt thou have a story of mankind or of the Jinn?" "It is well," answered he; "if thou have seen aught with thine eyes and heard it with thine ears, [tell it me." Then he bethought himself] and said to me, "I conjure thee by my life, tell me a story of the stories of the Jinn and that which thou hast heard and seen of them!" "O my son," replied I, "indeed thou conjurest [me] by a mighty conjuration; so [hearken and thou shalt] hear the goodliest of stories, ay, and the most extraordinary of them and the pleasantest and rarest." Quoth the prince, "Say on, for I am attentive to thy speech." And I said, "Know, then, O my son, that. When came the night, the vizier presented himself before the king, who bade him relate the [promised] story. So he said, "Hearkening and obedience. Know, Out. . . . Light of mine eyes, my hope, my wish, my thirsting eyes With looking on thy face can never sate their drought. . . . How many a mirth-exciting joy amid The raiment of ill chances lies in wait! Now there was in his neighbourhood a poor man, who had a slave-girl of surpassing beauty and loveliness, and the youth became enamoured of her and suffered grief and concern for the love of her and her loveliness, so that he was like to perish for passion; and she also loved him with a love yet greater than his love for her. So she called an old woman who used to visit her and acquainted her with her case, saying, 'An I foregather not with him, I shall die.' The old woman promised her that she would do her endeavour to bring her to her desire; so she veiled herself and repairing to the young man, saluted him and acquainted him with the girl's case, saying, 'Her master is a covetous man; so do thou invite him [to thy lodging] and tempt him with money, and he will sell thee the damsel.' Endeavour against Persistent Ill Fortune, Of the Uselessness of, i. 70. . . . o. The Merchant and the Thieves dcccix. OF ENVY AND MALICE. . . . a. The First Calender's Story xi. As for the governor, he wasted all that was with him and returned to the city, where he saw the youth and excused himself to him. Then he questioned him of what had befallen him and he told him, whereat he marvelled and returned to companionship with him; but the youth ceased to have regard for him and gave him not stipends, as of his [former] wont, neither discovered to him aught of his secrets. When the governor saw that there was no profit for him with the young Khorassani, he returned to the king, the ravisher of the damsel, and told him what the chamberlain had done and counselled him to slay the latter and incited him to recover the damsel, [promising] to give his friend to drink of poison and return. So the king sent for the chamberlain and upbraided him; whereupon he fell upon him and slew him and the king's servants fell upon the chamberlain and slew him. I am content, for him I love, to all abide, iii. 25. . . . I shut myself up with my love; no spy betwixt us was; We feared no enemies' despite, no envious neighbour's hate. 115. The Malice of Women dccccxxix. Money-Changer and the Ass, The Sharpers, the, ii. 41. . . . When it was the eighth day, the viziers all assembled and took counsel together and said, "How shall we do with this youth, who bafflcth us with his much talk? Indeed, we fear lest he be saved and we fall [into perdition]. Wherefore, let us all go in to the king and unite our efforts to overcome him, ere he appear without guilt and come forth and get the better of us." So they all went in to the king and prostrating themselves before him, said to him, "O king, have a care lest this youth beguile thee with his sorcery and bewitch thee with his craft. If thou heardest what we hear, thou wouldst not suffer him live, no, not one day. So pay thou no heed to his speech, for we are thy viziers, [who endeavour for] thy continuance, and if thou hearken not to our word, to whose word wilt thou hearken? See, we are ten viziers who testify against this youth that he is guilty and entered not the king's sleeping-chamber but with evil intent, so he might put the king to shame and outrage his honour; and if the king slay him not, let him banish him his realm, so the tongue of the folk may desist from him." . . . STORY OF THE KING OF HIND AND HIS VIZIER. . . . When the evening evened, the king let fetch the vizier and required of him the [promised] story. So he said, "Know, O king, that. Ian Shah and Abou Temam, Story of, i. 126. . . . One day, I changed my clothes and putting money in my sleeve, sallied forth to explore the holes and corners of this city, and as I was going about, I saw a handsome house. Its goodness pleased me; so I stood looking on it, and behold, a lovely woman [at the lattice]. When she saw me, she made haste and descended, whilst I abode confounded. Then I betook myself to a tailor there and questioned him of the house and to whom it belonged. Quoth he, "It belongeth to such an one the notary, may God curse him!" "Is he her father?" asked I; [and he replied, "Yes."] So I repaired in haste to a man, with whom I had been used to deposit my goods for sale, and told him that I desired to gain access to such an one the notary. Accordingly he assembled his friends and we betook ourselves to the notary's house. When we came in to him, we saluted him and sat with him, and I said to him, "I come to thee as a suitor, desiring the hand of thy daughter in marriage." Quoth he, "I have no daughter befitting this man." And I rejoined, "God aid thee! My desire is for thee and not for her." (213) But he still refused and his friends said to him, "This is an honourable man and thine equal in estate, and it is not lawful to thee that thou hinder the girl of her fortune." Quoth he to them, "Verily, my daughter whom ye seek is passing foul-favoured and in her are all blameworthy qualities." And I said, "I accept her, though she be as thou sayest." Then said the folk, "Extolled be the perfection of God! A truce to talk! [The thing is settled;] so say the word, how much wilt thou have [to her dowry]?" Quoth he, "I must have four thousand dinars." And I said, "Hearkening and obedience." . . . Ali of Damascus and Sitt el Milah, Nouredin, iii. 3. . . . However, he would not be denied, and when he saw her [constant] refusal of herself to him, he feared lest she should tell the folk of him. So, when he arose in the morning, he took a scroll and wrote in it what he would of forgery and falsehood and going up to the Sultan's palace, said, "[I have] an advisement [for the king]." So he bade admit him and he delivered him the writ that he had forged, saying, 'I found this letter with the woman, the devotee, the ascetic, and indeed she is a spy, a secret informer against the king to his enemy; and I deem the king's due more incumbent on me than any other and his advisement the first [duty], for that he uniteth in himself all the people, and but for the king's presence, the subjects would perish; wherefore I have brought [thee] warning.' The king put faith in his words and sent with him those who should lay hands upon the woman and put her to death; but they found her not. . . . When the king heard his speech, he turned to him and said, "It is grievous to me, O vizier of good counsel." And he told him that the [other] sages testified [to the correctness of their fellow's interpretation of the dream]; whereupon Er Rehwan sighed and knew that the king went in fear of him; but he showed him fortitude and said to him, "God assain the king! My counsel is that the king accomplish his commandment and execute his ordinance, for that needs must death be and it is liefer to me that I die, oppressed, than that I die, an oppressor. But, if the king see fit to defer the putting of me to death till the morrow and will pass this night with me and take leave of me, when the morrow cometh, the king shall do what he will." . . . My heart will never credit that I am far from thee, ii. 275. . . . The learned man bethought him awhile of this, then made for Khelbes's house, which adjoined his own, still holding the latter; and when they entered, they found the young man lying on the bed with Khelbes's wife; whereupon quoth he to him, 'O accursed one, the calamity is with thee and in thine own house!' So Khelbes put away his wife and went forth, fleeing, and returned not

to his own land. This, then," continued the vizier, "is the consequence of lewdness, for whoso purposeth in himself craft and perfidy, they get possession of him, and had Khelbes conceived of himself that (266) which he conceived of the folk of dishonour and calamity, there had betided him nothing of this. Nor is this story, rare and extraordinary though it be, more extraordinary or rarer than that of the pious woman whose husband's brother accused her of lewdness.".I'm the crown of every sweet and fragrant weed, ii. 255..So she donned a devotee's habit and betaking herself to the goldsmith, said to him, 'To whom belongeth the bracelet that is in the king's hand?' Quoth he, 'It belongeth to a man, a stranger, who hath bought him a slave-girl from this city and lodgeth with her in such a place.' So the old woman repaired to the young man's house and knocked at the door. The damsel opened to her and seeing her clad in devotee's apparel, (184) saluted her and said to her, 'Belike thou hast an occasion with us?' 'Yes,' answered the old woman; 'I desire privacy and ablution.' (185) Quoth the girl, 'Enter.' So she entered and did her occasion and made the ablution and prayed. Then she brought out a rosary and began to tell her beads thereon, and the damsel said to her, 'Whence comest thou, O pilgrim?' (186) Quoth she '[I come] from [visiting] the Idol (187) of the Absent in such a church. (188) There standeth up no woman [to prayer] before him, who hath an absent friend and discovereth to him her need, but he acquainteth her with her case and giveth her tidings of her absent one.' 'O pilgrim,' said the damsel, 'we have an absent one, and my lord's heart cleaveth to him and I desire to go to the idol and question him of him.' Quoth the old woman, '[Wait] till to-morrow and ask leave of thy husband, and I will come to thee and go with thee in weal.'.Merry Jest of a Thief, A, ii. 186.
